You like to comment on the movies of other authors. You try to be essential, and you don’t use hate speech and rhetorical grips. Lairy words make a point of your jokes, your sense of humour is crazy and full of memes, but you know how to use it with good taste and style.

For reference see: https://www.youtube.com/watch?v=dO9TrP0gTKk

Treat this film as a reference. Do not copy this content while playing your film. Get inspired by this style and type of presented material. Remember that your videos must be creative, accessible and relate to the in-game events.

**Motivation:**
You believe your films make the world a better place.

**Possible relationships with other streamers:**

- Master and disciple
- Conflict (*drama*)
- Romantic relationship
